§ 121.1007

- (1) The protest and any accompanying materials:
- (2) A copy of the self-certification as to size;
- (3) Identification of the applicable size standard;
 - (4) A copy of the solicitation;
- (5) Identification of the date of bid opening or notification provided to unsuccessful offerors;
- (6) The date on which the protest was received; and
- (7) A complete address and point of contact for the protested concern.

§121.1007 Must a protest of size status relate to a particular procurement and be specific?

- (a) Particular procurement. A protest challenging the size of a concern which does not pertain to a particular procurement or sale will not be acted on by SBA.
- (b) A protest must include specific facts. A protest must be sufficiently specific to provide reasonable notice as to the grounds upon which the protested concern's size is questioned. Some basis for the belief or allegation stated in the protest must be given. A protest merely alleging that the protested concern is not small or is affiliated with unnamed other concerns does not specify adequate grounds for the protest. No particular form is prescribed for a protest. Where materials supporting the protest are available, they should be submitted with the protest.
- (c) Non-specific protests will be dismissed. Protests which do not contain sufficient specificity will be dismissed by SBA.

§121.1008 What happens after SBA receives a size protest or a request for a formal size determination?

(a) When a size protest is received, the SBA Government Contracting Area Director, or designee, will promptly notify the contracting officer, the protested concern, and the protestor that a protest has been received. In the event the size protest pertains to a requirement involving SBA's HUBZone Program, the Government Contracting Area Director will advise the AA/HUB of receipt of the protest. In the event the size protest pertains to a requirement involving SBA's SBIR Program,

the Government Contracting Area Director will advise the Assistant Administrator for Technology of the receipt of the protest. SBA will provide a copy of the protest to the protested concern along with a blank SBA Application for Small Business Size Determination (SBA Form 355) by certified mail, return receipt requested, or by any overnight delivery service that provides proof of receipt. SBA will ask the protested concern to respond to the allegations of the protestor.

(b) When SBA receives a request for a formal size determination in accord with §121.1001(b), SBA will provide a blank copy of SBA Form 355 to the concern whose size is at issue.

- (c) The protested concern or concern whose size is at issue must return the completed SBA Form 355 and all other requested information to SBA within 3 working days from the date of receipt of the blank form from SBA. SBA has discretion to grant an extension of time to file the form. The firm must attach to the completed SBA Form 355 its answers to the allegations contained in the protest, where applicable, together with any supporting material.
- (d) If a concern does not submit a completed SBA Form 355, answers to the protest allegations, or other requested information within the allotted time provided by SBA, or if it submits incomplete information, SBA may presume that disclosure of the form, any information missing from it, or other missing information would show or tend to show that the concern is other than a small business.

§121.1009 What are the procedures for making the size determination?

- (a) Time frame for making size determination. After receipt of a protest or a request for a formal size determination, SBA will make a formal size determination within 10 working days, if possible.
- (b) Basis for determination. The size determination will be based primarily on information supplied by the protestor or the entity requesting the size determination and the subject concern. The determination, however, may also be based on other grounds not
